

The Equine Department at El Cajon Valley Veterinary Hospital would like to support your Therapeutic Riding Program, by offering our new programs, C.A.R.E.S. and T.E.D.

C.A.R.E.S (Chiropractic Acupuncture Relieving Equine Soreness) provides acupuncture and chiropractic care to 5 horses in each Therapeutic Riding Program on a regular basis. T.E.D (Therapeutic Equine Dentistry) provides dental care to 5 horses in each Therapeutic Riding Program on an annual basis.

If you are interested in being a part of either programs, C.A.R.E.S. and T.E.D., please call or email the El Cajon Valley Veterinary Hospital Equine Department; (619)-444-9340 or ecvvheq@yahoo.com.

C.A.R.E.S. and T.E.D. are an opportunity for us to give back to those horses who give the gift of mental and physical wellness to those in need.

We hope that you are as excited about C.A.R.E.S. and T.E.D. as we are, and look forward to hearing from you!
